Governing body regulations (academies)

- Governors are appointed/elected as follows:
 - Co-opted - appointed by the governing body
 - Member Appointed - appointed by the Trust board
 - Parent/Staff - elected by parents/staff respectively
- Governing bodies must have at least three governors, and at least two Parent governors. The “Required” field may show the maximum number of governors permitted in each category, as stated in the Articles of Association.
- The term of office for any governor shall be four years, save that this time limit shall not apply to any post which is held ex officio. Parent governors may serve out their term of office when their child leaves the school, but Staff governors must resign when they leave the school.
- The governors shall, each school year, elect a Chair and a Vice-Chair from among their number, and governors who are members of staff cannot be Chair or Vice-Chair.
- The governors shall hold at least three meetings in every school year, and the quorum for a meeting of the governors, and any vote on any matter thereat, shall be any three governors, or where greater, any one third (rounded up to a whole number) of the total number of governors holding office at the date of the meeting, who are in each case present at the meeting and entitled to vote on the matters to be resolved (or two-thirds (rounded up to a whole number) if voting on the removal of a governor or the Chair).
- Please refer to the Articles of Association for any variances to the above.
