1. INTRODUCTION AND PURPOSE

- 1.1 The aims and purpose of this document is to set out clearly the principles and formal arrangements for governance across the Tees Valley Collaborative Trust. It was created by and is maintained by the Trustees of the Tees Valley Collaborative Trust, with the content reviewed at least annually and whenever the introduction of new legislation or guidance from the Secretary of State for Education or another legal authority requires it. Any trustee(s) or employee(s) may be delegated responsibility to lead on the review and propose amendment to this document, but amendments shall be decided on only by resolution of the Trustees.
- 1.2 The quality and effectiveness of our governance is pivotal to ensuring all resources are used most effectively in delivering exceptional learning opportunities for all learners attending our academies. We believe the model outlined in this document allows the different elements of governance to work together for the benefit of the whole Trust, with sufficiently flexible to adapt for future growth.
- 1.3 The law places accountability for the educational outcomes and financial diligence of the Trust firmly with trustees and the CEO as Accounting Officer. However, governance arrangements are based on the fundamental principle that the most effective governance is best delivered as close as possible to the point of impact of decisions. For this reason the governance structure described in this document delegates significant accountability to our local governing bodies.

2. COMPANY STATUS

- 2.1
- | | |
|--------------------|---|
| Company name | Tees Valley Collaborative Trust “the Company” |
| Company number | 10743632 |
| Registered office | Prior Pursglove and Stockton Sixth Form College, Church Walk, Guisborough, United Kingdom, TS14 6BU |
| Company status | Company Limited by Guarantee |
| Incorporation Date | 27 April 2017 |
- 2.2 Tees Valley Collaborative Trust:
- is a company limited by guarantee registered with Companies House;
 - is an exempt charity;
 - has contracted with the Secretary of State for Education to run one or more academies
 - is subject to company audit laws;
 - is accountable to the Secretary of State for Education, students, parents and other stakeholders;
 - retains the legal responsibility for running the academies; and
 - owns all assets and liabilities, rights and obligations of the academies.
- 2.3 The constitution of the Company is set out in the Articles of Association, which are recorded at Companies House. This Governance Handbook and all other rules, regulations, authorities and powers determined by Trustees are subject to the Articles of Association, Company Law, Charity Law and the Academies Financial Handbook published annually by the Education Funding Agency.

- 2.4 The Academy Trust is classified as an 'exempt charity'. This means the Company is legally a charity but does not have to (and cannot) register with the Charity Commission (the regulator of Charities in England and Wales).
- 2.5 Academy colleges/ schools are not established as legal entities in their own right and have no legal personality. This means that all the assets and liabilities of each Academy run by the Company are owned by the Company and all contracts (whether in relation to employees or otherwise) for each academy and will be held and entered into (respectively) by the Company.

3. GOVERNANCE PRINCIPLES

- 3.1 We recognise the importance of developing relationships with common purpose and governance is about developing processes and structures to deliver that common purpose. The shared vision and values of Tees Valley Collaborative Trust and all of our academies underpin the governance arrangements of the Academy Trust, whilst promoting the independence and distinguishing characteristics of each of the academies.
- 3.2 In developing our governance arrangements, we have sought to ensure that the responsibility to govern is vested in those closest to the impact of decision-making and that such responsibility matches the capacity of those assuming responsibility. Our aim is to ensure there is no duplication of governance so have established a clear differentiation of the nature of the scrutiny and challenge provided by each element of governance.
- 3.3. Financial governance must be compliant with the principles and regulations set out in the Academies Financial Handbook. We aim to go beyond this to provide excellence in its governance.
- 3.4 The Board of Trustees has overall responsibility and ultimate decision-making authority for all the work of the Academy Trust, including its academies. Governance is strengthened by a common understanding about who is responsible for providing valuable input to decision making and who has the decision-making responsibility. To deliver this common understanding and ensure clarity as to who the decision makers are for different levels of decisions a number of documents have been produced, not least a clear Scheme of Delegation. These documents should also bring about effective and efficient decision making.
- 3.5 We recognise the value of collaboration and commit to supporting our academies for the benefit of the communities served by those academies. Trustees expect academies to work together in the spirit of the Trust's objects.
- 3.6 We aim to provide a voice on national issues affecting the Academy Trust and our academies, helping to communicate the Academy Trust's needs and concerns to those responsible for the funding and regulation of publicly funded colleges and schools.

4. INTERVENTION

- 4.1 The effective operation of the various elements of governance outlined in this document are crucial to the success of the Academy Trust. Whilst we will provide a level of autonomy proportionate to the success of the academy, the Board of Trustees remains ultimately responsible for the performance and conduct of the Academy Trust and that of its academies. There will be circumstances (more the

exception than the norm) where the Board of Trustees may need to intervene and, for example, withdraw delegated authority around a particular element of governance.

- 4.2 In such circumstances, the Board of Trustees, along with the CEO/Executive Leadership Group, would work closely with any academies concerned and those involved in their governance who would be expected to promptly implement any advice or recommendations made by the Board of Trustees and the Executive Leadership Group.
- 4.3 Trustees reserve the right to review or remove any power or responsibility which it has delegated, in particular, in circumstances where serious concerns in the running of an academy is identified, including where:
- there are concerns about financial matters;
 - insufficient progress is being made against educational benchmarks (including where intervention by the Secretary of State is being considered or carried out);
 - there has been a breakdown in the way the academy is managed or governed; or
 - the safety of pupils or staff is threatened, including a breakdown of discipline.
- 4.4 The Trust will put in place a process through which the need for intervention will be assessed on a regular basis.

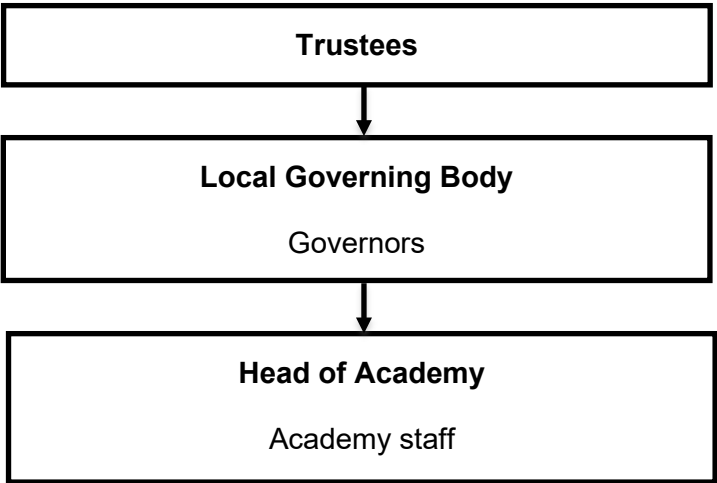

5. PUPIL, PARENT AND STAFF VOICE

- 5.1 Accessing and responding to pupils' collective concerns is an important part of the operations and governance of our academies. All colleges/schools have active Student Councils/ Unions with representatives. Each Local Governing Body is expected to give due regard to issues that are raised through the Student Councils/Unions and the management actions taken in response to the issues.
- 5.2 Parental voice is formally built into the governance structure with the election by parents of two parent governors to each Local Governing Body. Staff voice is similarly built into the governance structure with the election to each academy committee employees of the Academy (no more than one third of the total number of persons on the Local Governing Body) by employees of the Academy. However, we recognise that staff governors are not representative of staff and will vote on matters according to their personal beliefs and in accordance with those of the Trust. As a Trust we will develop and review appropriate mechanisms for pupil, parent and staff representation to feed into governance at all levels.

6. COMPANY STRUCTURE AND GOVERNANCE MODEL

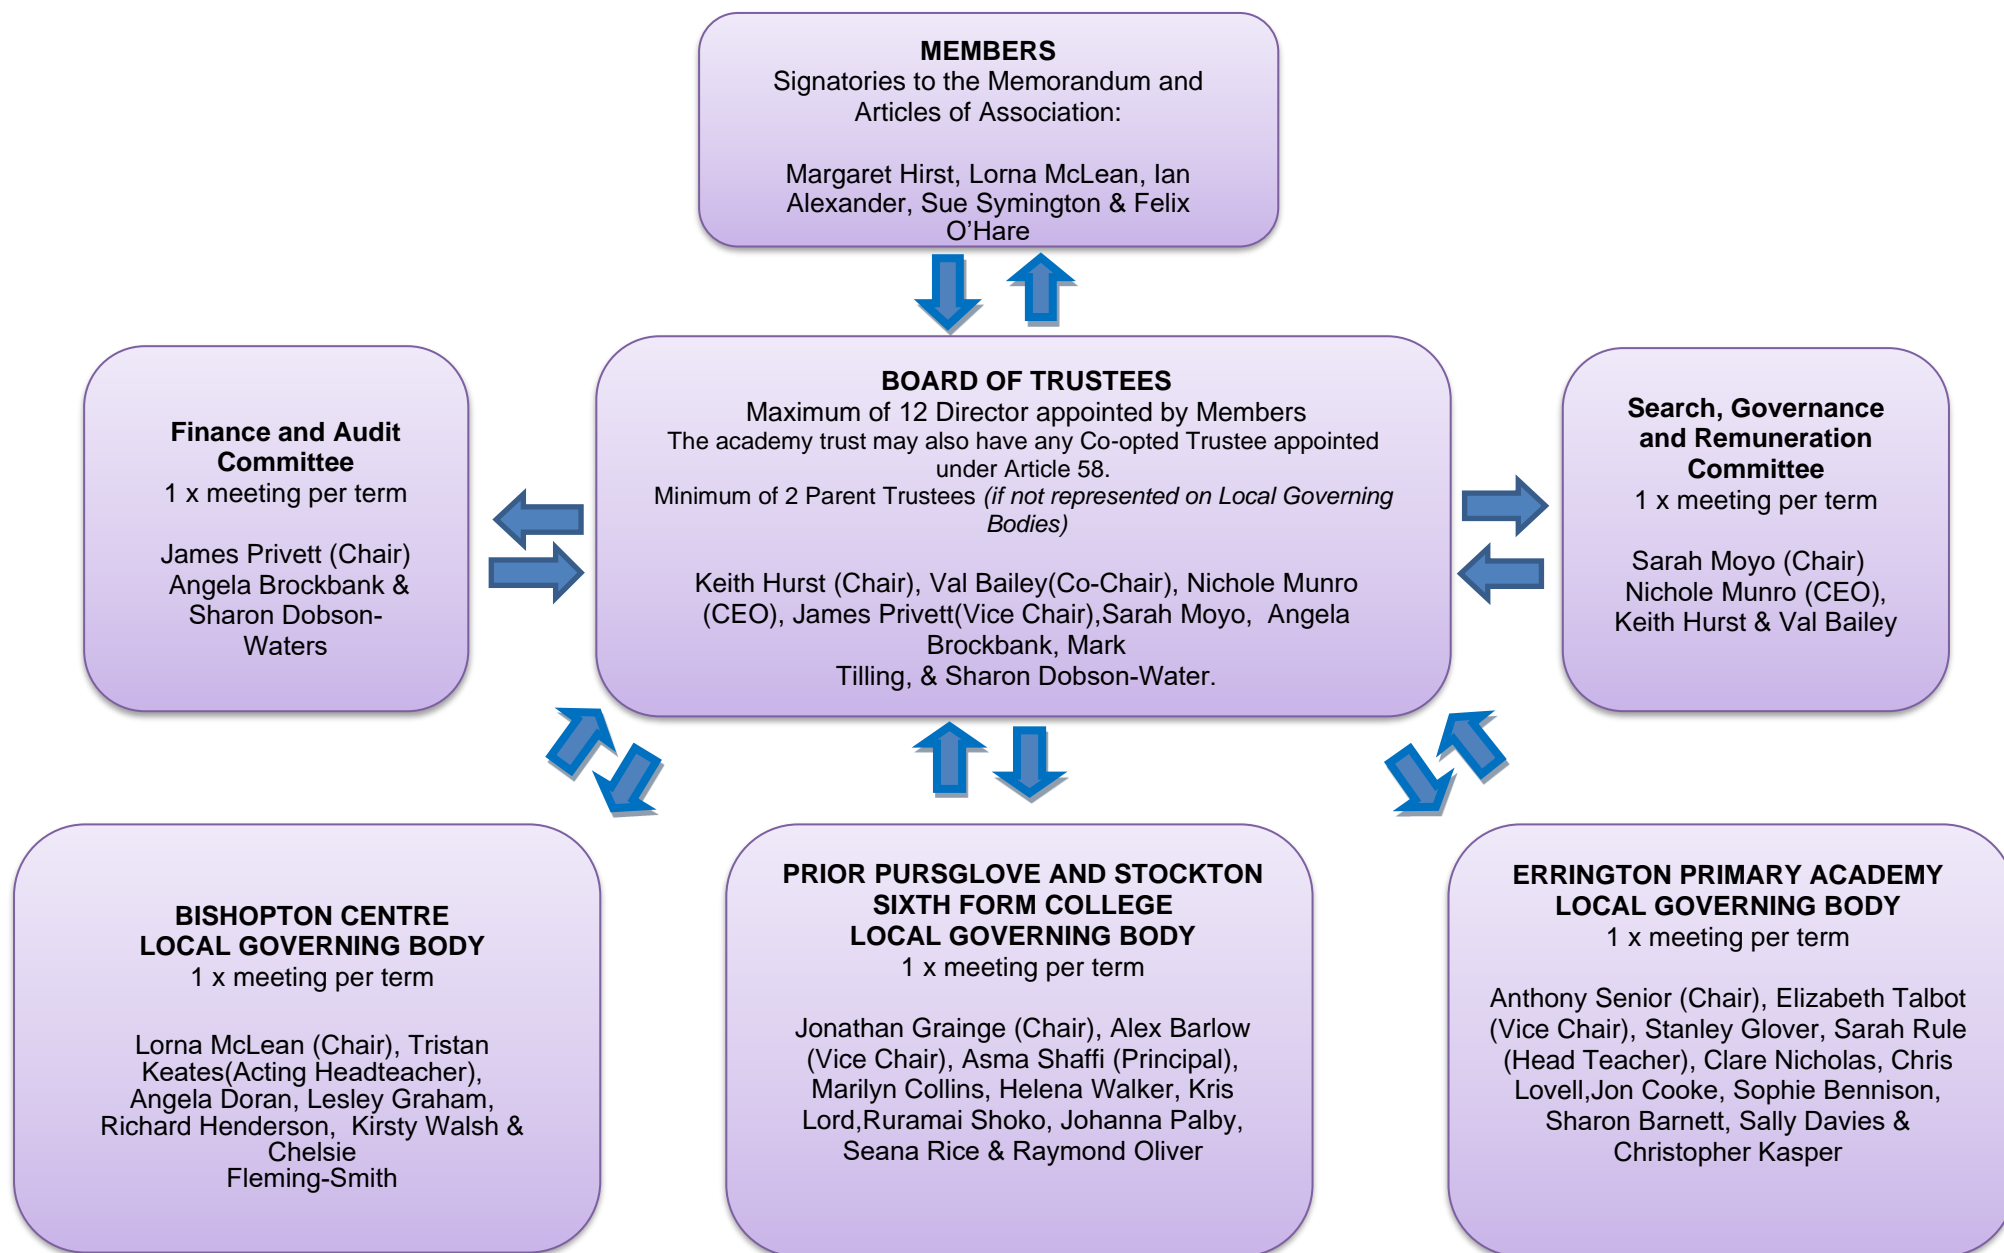

- 6.1 Our governance structure is made up as illustrated in the diagram at section 7. It is outlined below, with further detail on the role and responsibilities of each element of governance given at section 9 and relevant appendices.
- 6.2 The Company has two layers of corporate governance as set out in the Articles of Association – Members and Trustees (sometimes called Directors). Members subscribed to the Memorandum and Articles of Association and perform the functions shareholders would in a company, although this is not a profit-making company. The accountable body is the Board of Trustees responsible for the management and administration of academy/academies.

- 6.3 The Board of Trustees is supported by two committees: – Finance and Audit Committee and Search, Governance and Remuneration Committee. Trustees make up the membership of these committees, with advice and input from an Executive Leadership Group. Committees may co-opt governors from academy committees or from the community with strong and relevant skills identified through an annual skills audit, providing the majority of members are trustees.
- 6.4 In accordance with the principle that effective governance is best delivered as close as possible to the point of impact of decisions, the Company has a third tier of governance in the form of Local Governing Bodies. Local Governing Bodies have been established as committees of the Board with powers delegated to them through a Scheme of Delegation agreed by the Board of Trustees. The composition of Local Governing Bodies is also set out in the Scheme of Delegation and these committees are made up of persons appointed by Trustees. The Scheme of Delegation agreed by Trustees is detailed at [Section 13](#) of this document.
- 6.5 The performance and governance of the company is supported by an Executive Leadership Group made up of a Chief Executive Officer (CEO) and Chief Financial Officer (CFO). The CEO is responsible for the day to day operations of the Academy Trust. The Head Teachers of each of the academies, will meet with the CEO regularly and accept responsibility for operational tasks delegated from time to time to drive forward college/school improvement. The CFO will meet regularly with staff from individual academies with financial management responsibilities and ensure effective systems are in place for full compliance with the Academies Financial Handbook.
- 6.6 The relationship between the Board of Trustees, Executive Leadership Group and Local Governing Bodies is characterised as a partnership to realise a common vision and a common purpose, drawing on each other’s strengths in order to overcome any weaknesses and respond robustly to any challenges.
- 6.7 Within the Company structure there are three main levels of authority for each academy: Trustees, Governors, and the Head of Academy.

8. EVALUATION OF THE EFFECTIVENESS OF GOVERNANCE/ CHANNELS OF COMMUNICATION

- 8.1 The Trust will continue to develop our governance arrangements to shape and take account of best practice in the sector.
- 8.2 The Board of Trustees will carry out annually a self-evaluation of trustees and governors. The purpose of the self-evaluation is to ensure persons at each tier of governance have the right skills to fulfil their role effectively, to determine on-going training requirements to further improve governance and to determine succession planning. Ideally, where key skills are missing on the Board, trustees would seek to recruit a director independent of the running and management of the Trust, and with the required skills. If this is not possible expertise will be procured to support the challenge and scrutiny of specialist areas such as human resources or educational performance.
- 8.3 A programme of continuous training at all tiers of governance will ensure senior leaders within academies are challenged to improve the education of pupils. We aim to deliver at least one opportunity each year for all persons involved in the governance and management of the Trust and academies to come together for an evaluation and planning event.
- 8.4 Persons at all tiers of governance are required to commit to attend training so that the Trust has the capacity, skills and succession plans to have a positive impact on outcomes for pupils.
- 8.5 The members, board of trustees and local governing bodies will ensure effective communication channels. The chair of a local governing body will meet with trustees once a year. In addition, the chair of trustees will present to members once a year. In the interests of transparency and effectiveness, minutes from each tier will be shared with one another to understand key issues across the trust.

Should there be issues with the eligibility criteria or Clearance Report these would be subject to Chair's action who may refer them back to the Search and Remuneration Committee.

For all Trustees, except the CEO, the period of office is four years from the date of appointment. Subject to remaining eligible to be particular type of trustee, any trustee may be re-appointed by members. Out of good practice trustees will not serve more than two terms ie 8 years in total. In exceptional circumstances this could be extended for up to one further term. There is no set period of office for the CEO.

At the beginning of each academic year, the Clerk to the Tees Valley Collaborative Trust will obtain written confirmation from each Trustee of their continuing eligibility to serve as a Trustee.

Trustees may resign at any time during their period of office by giving notice in writing to the Clerk to the Tees Valley Collaborative Trust (provided there remains three trustees in office at the time the resignation takes effect). Trustees who do not wish to be considered for re-appointment at the end of their term of office should also inform

Clerk. The Clerk will inform the Search and Remuneration Committee of the resulting vacancy.

Chair/ Vice-Chair

Trustees shall each year elect a Chair and Vice-Chair from among their number. A trustee employed by the Company shall not be eligible for election of Chair or Vice-Chair.

Out of good practice, seconded nominations should be received at least ten days before the meeting at which the appointment will be made. In the case of one nominee, the method of election will be by show of hands. In the case of two or more nominees, a ballot will be held at the meeting.

The Vice Chair will act in respect of the responsibilities and duties of the Chair if the Chair is unavailable through illness, work or holidays.

The Chair's main role is to provide leadership to the Board of Trustees. S/he will meet routinely with the CEO and Clerk between meetings. The Vice Chair will act in the place of the Chair and support her/him in ensuring effective governance.

If the Chair ceases to hold that role then they will no longer serve as a Trustee. In exceptional circumstances or where an interim Chair serves, Members may allow their continuation for a defined further period.

Clerk

The Clerk shall be appointed by the Trustees for such term, at such remuneration and upon such conditions they may think fit (as recommended by the Search, Governance and Remuneration Committee). Any Clerk so appointed may be removed by them.

The Clerk shall not be a Trustee or the CEO. However, if the Clerk is absent and fails to attend a meeting of the board of trustees, Trustees may appoint any of their number to act as a Clerk for the purposes of the meeting.

Calendar of Meetings

An annual calendar of trust and local governing body meetings will be agreed prior to the start of the academic year, stating the date, time and location of each meeting. Subject to the agreement of the trustees, a meeting may be re-scheduled to accommodate trustees' commitments.

Special meetings or extra ordinary meetings may be called in accordance with the provisions of the Articles of Association.

Agendas of Meetings

A draft agenda will be prepared by the Clerk to the Board of Trustees according to the annual business cycle and in consultation with the Chair and CEO.

A Trustee can contribute an item to be considered for inclusion on the agenda, either at the previous meeting or by contacting the Clerk to the Board of Trustees at least fourteen days prior to the date of the meeting.

One of the first items on agendas will be 'Declaration of Interests' and 'Declarations of Gifts'. Trustees will be asked to disclose any interest (either of a financial or non-financial nature) in respect of the business to be discussed.

Any item to be raised under 'Any Other Business' must be notified to the Chair at least 48 hours in advance of the meeting at which it is to be considered. The Chair may use their discretion as to whether to defer the item to a subsequent meeting.

Trustees will receive the agenda and notice of the meeting at least 7 days in advance of the meeting.

Attendance Attendance at meetings is crucially important for the effective conduct of business. A register of attendance will be taken by the Clerk. The expectation is that the average attendance of a trustee at the Board of Trustees and Committee meetings will be 80%.

Apologies for absence should be submitted either in writing, by email or by telephone to the Clerk, as soon as possible before a meeting.

Absence by a trustee from meetings of either the Board of Trustees or of a Committee, for more than three consecutive meetings or for six months, will be notified to the Search and Remuneration Committee for consideration of that trustee's position as a Governor, and subsequently a recommendation made to the Board of Trustees to report to members to make a decision. The same procedure will be adopted if a trustee does not attend for the full duration of meetings.

Quorum The quorum is 3 trustees, or where greater, one third (rounded up to a whole number) of the total number of trustees holding office at the date

of the meeting, who are in each case present and entitled to vote on matters to be resolved.

Quorum for any vote on removal of a Trustee in accordance with Article 66 and removal of the Chair in accordance with Article 9 shall be two thirds.

Quorum levels for committees are set out in committee terms of reference.

If the number of Trustees present for a meeting does not constitute a quorum, the meeting shall not be held. Similarly, if during a meeting there ceases to be a quorum, the meeting shall be terminated at once. The Clerk must re-arrange the meeting as practically as possible but within 7 days of when the meeting should have been originally held.

Meetings Trustees shall hold at least three meetings in the academic year.

Any three Trustees may, by notice in writing requisition a meeting of the Trustees; and the Clerk will convene such a meeting as reasonably practicable.

Meetings are chaired by the Chair or in her/his absence, the Vice Chair. If both the Chair and Vice Chair are absent, the meeting will be chaired by a temporary Chair appointed by and from the Trustees. The CEO cannot be Chair of the meeting.

If a Trustee has a financial or non-financial interest in any business on the agenda which could be prejudicial to discussion or be perceived as a conflict of interest, the member must declare it giving details of its nature and extent. Where a conflict of interest is declared or identified the procedure set out in the Trust's Conflicts of Interest Policy will be followed. See [Section 15](#)

All Trustees must address or speak through the Chair.

Subject to the Articles of Association, every question to be decided at a meeting of the Trustees shall be determined by a majority of votes of the Trustees present and voting on the question. Each Trustee shall have one vote.

Where there is an equal division of votes, the Chair shall have the casting vote in addition to any vote s/he may have.

Any Trustee shall be able to participate in meetings of the Trustees by telephone or video conference provided that:

- a. he has given notice of his intention to do so detailing the telephone number on which he can be reached and/or appropriate details of the video conference suite from which he shall be taking part at the time of the meeting at least 48 hours before the meeting; and

- b. the Trustees have access to the appropriate equipment if after all reasonable efforts it does not prove possible for the person to participate by telephone or video conference the meeting may still proceed with its business provided it is otherwise quorate.

TEES VALLEY COLLABORATIVE TRUST – SCHEME OF DELEGATION

INTRODUCTION

1. Purpose of the Scheme of Delegation

- 1.1 The primary purpose of this Scheme of Delegation (Scheme) is to inform those involved with the governance of the Academy of where decision making, advisory and other responsibilities lie within the MAT.
- 1.2 The Scheme does not contain details of every decision/responsibility or every aspect that will be delegated. Its content will be supplemented by the Trust's strategic plans, policies and procedures and any direction given or rules and directions agreed or issued by the Members or the Board of Trustees. In the event that there is uncertainty as to which tier of governance has responsibility for a particular matter, guidance should be sought from the Chair of the Trust.
- 1.3 Whilst the Scheme is an important document, the way it is operated in practice will be the key to its efficacy. Good communication between the Board and its Committees and relevant members of staff will be essential.
- 1.4 The Scheme should not be confused with the written scheme of delegation of financial powers referred to in the Academies Financial Handbook, which is a separate document.

2. Adoption of the Scheme

- 2.1 This Scheme has been approved by the Board of Trustees and shall apply to the Academy from the date shown on the front cover.

3. How it has been determined

- 3.1 In determining this Scheme, the Trustees have been mindful that:
 - a. The Board of Trustees is ultimately accountable for the way in which the academies managed by the MAT are run and as such must be satisfied that delegation takes place only where appropriate and that it receives appropriate reports on matters delegated by it/actions taken in its name to enable appropriate oversight.
 - b. There are some areas where it makes sense for matters to be dealt with centrally, rather than by individual academies. It is hoped that this will reduce the burden on the individual academies, which already have a heavy workload, and in appropriate cases achieve economies of scale.
 - c. The Board cannot take all decisions itself, and in making decisions that the Board reserves for itself, it will often be reliant on information and advice from and be guided (as appropriate) by its Committees, the academy LGBs and others operating at academy level. The Board considers that there is often a powerful case for local involvement in decision making.

TEES VALLEY COLLABORATIVE TRUST – SCHEME OF DELEGATION

4. Termination and amendment

- 4.1 The Scheme will be subject to formal review annually. However, where the Board deems it appropriate, changes will be made in year.
- 4.2 The Board has the absolute discretion to review, amend and/or terminate the Scheme at any time and as it sees fit (subject to complying with the legal requirements upon it).
- 4.3 As the MAT and the academies develop, so may the governance arrangements and accordingly the delegations that are in place. For example (and without limitation):
- Changes may need to be made as a result of lessons learned and development of best practice;
 - It is hoped that the strength of weaker academies will increase over time such that additional responsibilities may be delegated;
 - Where weaknesses develop in an academy's leadership and governance, or in particular areas, the MAT may need to intervene and remove delegations.
- 4.4 The Board would welcome comments on the operation of the Scheme where it is felt that revisions should be made. Where practicable, the Board will give the LGB an opportunity to comment before determining the Scheme of Delegation.

The Seven Nolan Principles of Public Life underpin the principles of this Code of Conduct.

(Originally published by the Nolan Committee: The Committee on Standards in Public Life was established by the then Prime Minister in October 1994, under the Chairmanship of Lord Nolan, to consider standards of conduct in various areas of public life, and to make recommendations).

Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

Holders of public office should promote and support these principles by leadership and example.

15. TEES VALLEY COLLABORATIVE TRUST CONFLICTS OF INTEREST POLICY AND POLICY

CONFLICT OF INTEREST POLICY

Purposes of the Policy

It is the purpose of Tees Valley Collaborative Trust ("the Trust") that all members, trustees and governors of the Trust and senior staff attending Trust, Local Governing Body and/or committee meetings and Trust committee members who are not members of the Corporation, must keep to the absolute minimum all unavoidable conflicts of interest between the interests of the member or senior member of staff concerned, and of persons connected with them. This includes avoiding as far as possible perceptions of conflicts of interest, as well as potential and actual conflicts of interest.

The purposes of this policy are:

- To ensure that members, trustees and governors comply with their legal duties including in particular, those under the Trust's Articles of Association and their duty to act only in the best interests of the Trust;
- To protect the integrity of the Trust's decision-making process;
- To enable all outside parties dealing with the Trust to have confidence in the Trust's integrity; and
- To protect the integrity and reputations of the Trust's members, trustees, governors and senior staff.

Disclosure of Interests

All members, trustees and governors of the Trust, senior staff and committee members' who are not trustees of the Trust, will be required to make a full written disclosure of any business or personal relationships held, financial or property interests held or gifts or hospitality received, that could potentially result in a conflict of interests. A declaration of interest's form is provided and must be used for this response. Any question about whether an individual has an interest which should be disclosed should be referred in the first instance to the Clerk to the Trust for determination.

Written disclosures will be kept in a register maintained by the Clerk to the Trust and all members, trustees and governors and senior staff and committee members' who are not members of the Trust, will be required to update their disclosure as and when their circumstances change. All disclosures will be reviewed on an annual basis. The register will be accessible by members, trustees and governors and the Trust's internal and external auditors.

Organisation of meetings where a member has disclosed an interest

Where an interest has previously been disclosed and the Chair or Clerk is satisfied that the interest is relevant to an item on the agenda, the member concerned may not be sent the papers in respect of that item.

Decisions made other than at a meeting eg by written resolution

Where an interest has previously been disclosed and the Chair or Clerk is satisfied that the interest is relevant to the matter to be decided, the member will not be sent the proposed resolution and will not be allowed to vote on it.

Management of conflicts of interests in meetings etc

This section of the policy should be read in conjunction with the Articles of Association and Scheme of Delegation/ Governance Handbook.

In the course of meetings of the Trust, local governing body or a committee and all other activities all members, trustees and governors and senior staff will be required to disclose any interests they have in a transaction of decision where they, their family, their employer or their close business or other associates will or may receive a benefit or gain or they have an interest identified by the Trust. If there is a failure to declare an interest that is known to the Chair of the Trust, and/or Chair of the local governing body, and/or Chair of the committee and/or the Clerk they will declare that interest. After disclosure of any such interest, in the case of a meeting, the member, trustee, governor and/or senior member of staff concerned will be asked to leave the room whilst the matter is discussed unless expressly invited to remain possibly in order to provide information on the matter in hand. The member, trustee, governor and/or committee member will not be counted in the quorum for that part of the meeting and will not be permitted to vote on the question. In the case of all other activities, the member, trustee, governor or staff member concerned will not be permitted to participate in the consideration or discussion of the matter other than to disclose his or her conflict of interest.

All decisions of the Trust, Local Governing Body or committee made following the declaration of a conflict of interest will be reported in the minutes of the meeting.

Where a member, trustee, governor or senior member of staff benefits from any such decision, this will (if the Trust's auditors advise this is necessary) be reported in the annual report and accounts in accordance with relevant accounting requirements.

Failure to disclose a relevant interest

The decision of the Chair as to whether a member, trustee or governor has failed to disclose a relevant interest shall be final. Failure to disclose a conflicting interest may lead to a member, trustee or governor being in breach of the Trust's Code of Conduct as well as of this policy. It may also result in the member, trustee or governor being subject to legal action and personal liability for breach of trust. Such breaches may lead to the Trust considering the possibility of suspending or terminating membership of the relevant board. Such breaches by a member of staff may lead to disciplinary action being taken under the Trust's staff disciplinary procedures.

Benefits for Members/Trustees/ Governors

It is a basic principle of charity law that charity trustees, should not profit from their position, although trustees are entitled to be reimbursed for expenses actually and reasonably incurred in undertaking the business of the charity. The Trust has approved a policy on reimbursing members' expenses and members must comply with this.

The Charities Act 2011 provides a detailed process whereby, exceptionally, charity trustees or person connected to them may be allowed to receive payment from the funds of the charity for

goods or services provided by them to the charity under a contract for services. This procedure must be followed if a individual wishes to receive such a payment.

Charity trustees are not allowed to receive remuneration simply for undertaking their duties as a trustee without the consent of the Charity Commission. This is only granted in exceptional circumstances. Similarly, charity trustees are not allowed to be employed by the charity under a contract of service save where allowed by the charity's governing document (as is the case with the CEO and staff governors), or by law, or with the consent of the Charity Commission, which is only granted in exceptional circumstances.

BUSINESS/ PECUNIARY INTERESTS

It is a requirement of the Academies Financial Handbook that an academy trust must maintain a register of business interests to capture relevant business and pecuniary interests of members, trustees, local governors of academies within a multi-academy trust and senior employees, and those of any immediate relatives, including:

- directorships, partnerships and employments with businesses that may provide goods or services to the trust;
- trusteeships and governorships including at other educational institutions and charities irrespective of whether there is a trading relationship with the trust;
- any material interests arising from close family relationships and/or relationships between members, trustees, local governors of academies, and with employees.

Note: Further guidance on declarations of interests is attached and should be referred to prior to completion of the declaration. If a governor/trustee or member of staff is in any doubt about registering specific interests, the prudent approach would be to include the item on the register.

I give notice that I have set out below, under the appropriate headings, my interests which potentially conflict with the work of the academy trust so that details of those interests can be entered on the Register of Interests and published on the academy trust website, in accordance with legal requirements. I have stated clearly under each heading where I have no such interest by inserting the word “none”.

In declaring potential conflicts of interest I have referred to and understood the guidance notes appended to this declaration form.

I understand that completion of this form does not remove the requirement upon me to disclose any potential financial interest/conflict of interest in any matter discussed at a meeting of the trust board or committee.

Declaration of Interests/ LA Associated Person Status

I have read and understood the academy's Conflicts of Interest Policy which requires that where an interest is declared, I must leave the meeting and not partake in any discussion to which the interest relates.

I expect the academy trust to manage and process the information provided in accordance with Data Protection requirements

GUIDANCE ON DECLARATION OF INTERESTS

It is important for anyone involved in spending public money to demonstrate that they, or close relatives, do not benefit personally from the decisions they make. For the purpose of transparency, the academy trust is required to maintain a Register of Interests and to keep the register up-to-date through regular review.

The Academies Financial Handbook requires that an academy trust's register of interests must capture relevant business and pecuniary interests of members, trustees, local governors of academies within a multi-academy trust and senior employees, including:

- directorships, partnerships and employments with businesses
- trusteeships and governorships at other educational institutions and charities
- any relevant material interests arising from close family relationships between the academy trust's members, trustees or local governors and relationships between those individuals and employees. Close family relationships is defined as: a close member of the family, or member of the same household, who may be expected to influence, or be influenced by, the person. This includes, but is not limited to, a child, parent, spouse or civil partner.

For each interest the name of the business; the nature of the business; the nature of the interest; and the date the interest began must be declared.

All business interests should be declared; such as directorships, shareholdings or other appointments of influence within a business or organisation which may have dealings with the academy trust and/or academies. Where a governor/trustee or related person has a pecuniary interest in a business, and that interest exceeds limits specified in the academy's memorandum or articles of association (1% or more of the issued share capital of a company listed on a recognised stock exchange), the academy must not enter into any contract or arrangement (such as the purchase of goods and service) with that business.

Interests are not limited to the above and trusts should carefully consider whether other interests should be registered, such as the interests of other employees of the trust and close family members of individuals already on the register. If in doubt the presumption should be towards including an interest in the register. A [Guide for Charity Trustees on Conflicts of Interest](#) is available on GOV.uk.

Academy trusts must publish on their websites relevant business and pecuniary interests of members, trustees and local governors. However, they do have discretion over the publication of interests of other individuals including child, parent, spouse and civil partner.

The existence of a register of business interests does not, of course, detract from the duties of governors/trustees and staff to declare interests whenever they are relevant to matters being discussed by the governing body or a committee. Where an interest has been declared, governors/trustees and staff should not attend that part of any committee or other meeting.
